## **COMPETITION FOR TEACHERS**

A competition for teachers is organized every year as part of Navin Asher Kazi Awards for Excellence in Teaching. This year, teachers are invited to give a presentation on **'Transformative Teaching – Changing Lives Beyond the Classroom'**.

The theme focuses on teachers as life-transformers—those who have gone beyond academics to impact the personal growth, behavior, values, and overall well-being of students. All Teachers interested to participate are invited to present authentic cases where their intervention made a measurable difference in the life of a student or in classroom culture in the following areas:-

1. Supporting a child with speech/language difficulties to gain confidence.
2. Helping students overcome lifestyle/behavioral challenges (discipline, habits, hygiene, etc.).
3. Introducing class routines or practices that build moral values, empathy, or social responsibility.
4. Counselling students away from risky behaviors (substance abuse, bullying, aggression, social media addiction).
5. Nurturing talents and interests that transformed the child's confidence or future path.

All teachers under the Indian School Visa are eligible to participate in this competition. There are no restrictions on the years of teaching experience.
