

EOI Form

Navin Asher Kazi Awards for Excellence in Teaching Competition 2026

Theme: Innovate to Educate – Simplifying Learning through
Technology

(All fields are compulsory; please keep responses concise within the word limits.)

1. Participant Details

Name: _____

School Name: _____

Grade & Subject Taught: _____

Years of Teaching Experience: _____

Email ID / Mobile No.: _____

2. Title of the Innovative Technique/Methodology

(One short phrase)

Max. 10 words

3. Focus Area (tick one or more):

- ☐ Simulations / virtual labs / 3D models / AR–VR
- ☐ AI tools for personalised learning or instant feedback
- ☐ Gamified / interactive learning and assessment
- ☐ Flipped / blended classroom (self-created videos, podcasts, digital resources)
- ☐ Students as digital creators (coding, animation, digital storytelling, e-portfolios)

☐ Others (please specify): _____

4. Learning Challenge Addressed:

(Which concept or topic did students find difficult to understand?
Mention the grade and subject.)

Max. 50 words

5. Technique/Methodology Used:

(Briefly describe your approach and how it is carried out in class. What makes it different from routine teaching?)

Max. 75 words

6. Technology Tool(s) Used:

(Name the tools, apps, platforms or devices used and why you chose them. Mention any cost or special requirement.)

Max. 40 words

7. Impact on Student Understanding:

(What improvement in learning was observed? Be specific, e.g., assessment results, participation, quality of work.)

Max. 75 words

8. Replicability:

(How could other teachers use this technique in their own classes or subjects?)

Max. 40 words

9. Supporting Evidence:

(What proof will you provide at the next stage?)

Tick all that apply

- ☐ Before/after assessment data or results
- ☐ Student work samples / digital outputs
- ☐ Screenshots, photos or a short video of the technique in use
- ☐ Student/parent feedback or testimonial
- ☐ Endorsement letter (VP/Principal)
- ☐ Other: _____

10. Declaration:

I confirm that the technique described is my own work and that all tools used are safe, age-appropriate and in line with school guidelines on data privacy.

Signature: _____ Date: _____
