COMPETITION FOR TEACHERS

A competition for teachers is organized every year as part of Navin Asher Kazi Awards for Excellence in Teaching. This year, teachers are invited to give a presentation on:

‘Innovate to Educate – Simplifying Learning through Technology’

The theme focuses on teachers as innovators, those who have developed a unique teaching technique or methodology using digital tools or innovative technology to make concepts easier for students to understand. All teachers interested to participate are invited to present an authentic practice from their own classroom, with evidence of how it improved student understanding or learning outcomes, in any of the following areas:-

1. Bringing abstract or difficult concepts to life through simulations, virtual labs, 3D models or AR/VR experiences.
2. Using AI tools responsibly to personalise learning, give instant feedback, or support students with different learning needs.
3. Gamified and interactive learning that turns practice, revision and assessment into active participation.
4. Flipped or blended classroom models using self-created videos, podcasts or digital resources to free up class time for hands-on learning.
5. Students as digital creators, coding, animation, digital storytelling or e-portfolios that deepen understanding by letting students explain what they learn.

The presentation should focus on the teaching technique and how it improved students’ understanding, rather than on the tool itself. Any tools used should be safe, age-appropriate and in line with school guidelines on data privacy.

All teachers under the Indian School Visa are eligible to participate in this competition. There are no restrictions on the years of teaching experience.

Criteria of Evaluation:

The following points will be considered by the evaluators:

1. Uniqueness of the Technique/Methodology
2. Effective and Purposeful Use of Technology
3. Ease of Understanding for Students
4. Evidence of Impact on Learning
5. Replicability by Other Teachers

Interested participants shall submit an Expression of Interest form- EOI Form (as attached) and send to bta@indianschoolsoman.com latest by 25th October 2026. Please mention 'Competition for Teachers' as subject.

Shortlisted participants will be invited for a final presentation of maximum 10 minutes, including a brief live demonstration of the technique.
